4000+ Dance Loops & House Samples

## Hi & Welcome to X-STATIC 1-ReMIXOLOGY

The Samples featured on this CD all comes from the 2 deleted Classics X-Static Goldmine & XL1. We have had great many calls asking for both during the time since they "vanished from earth". Maybe this time You are satisfied.....4.000 Sampled on one CD & You can buy it in any CD ROM Format for the same price as the Audio CD.

If this does not satisfy, what can ??? !!!

Anyway all the Best & Don't forget X-STATIC 2, 3, 4 & 5.

Erik Svahn, e-LAB
